2015–2016 Child Support Paid Verification Worksheet Independent Student

Your 2015–2016 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information the financial aid administrator at your school will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the financial aid administrator at your school. Your school may ask for additional information. If you have questions about verification, contact your financial aid administrator as soon as possible so that your financial aid will not be delayed.

Complete this table the table below if you paid child support in 2014. **Do not include child support received.**

Check the box that applies (Select **ONLY** one):

Neither I, nor my spouse (if married), paid child support in 2014.

Either I, or if married my spouse, paid child support in 2014. **Do not include child support that was received.** I have indicated below the name of the person who paid the child support, the name of the person to whom the child support was paid, the names of the children for whom child support was paid, and the total annual amount of child support that was paid in 2014 for each child. If asked by my school, I will provide documentation of the payment of child support.

For child support paid, do not list agency or State. **Each child must be listed separately.** You must list the name of the person. If you need more space, attach a separate page that includes the student's name and Social Security Number at the top.

Name of Person Who Paid Child Support	Name of Person to Whom Child Support Was Paid	Name of Child for Whom Child Support Was Paid	Age of Child	Amount of Child Support Paid in 2014
<i>Marty Jones (example)</i>	<i>Chris Smith</i>	<i>Terry Jones</i>	<i>12</i>	<i>\$6,000.00</i>

Note: If we have reason to believe that the information regarding child support paid is not accurate, we may require additional documentation, such as:

- A copy of the separation agreement or divorce decree that shows the amount of child support to be provided;
- A statement from the individual receiving the child support certifying the amount of child support received; or
- Copies of the child support payment checks, money order receipts, or similar records of electronic payments having been made.
