2017–2018 Verification Worksheet Independent Student

Your 2017–2018 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information the financial aid administrator at your school will compare your FAFSA with the information on this worksheet and with any other required documents.

If there are differences, your FAFSA information may need to be corrected. You must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the financial aid administrator at your school. Your school may ask for additional information. If you have questions about verification, contact your financial aid administrator as soon as possible so that your financial aid will not be delayed.

Please carefully read ALL instructions for each section PRIOR to completing each section. All fields marked with an asterisk (*) are required. Any manual edits to this form must be confirmed with initials and a date next to each edit.

C. Independent Student’s Income Information to Be Verified

1. TAX RETURN FILERS—Important Note: If you (the student) or your spouse (if married), filed or will file an amended 2015 IRS tax return, you must contact your financial aid administrator before completing this section.

Instructions: Complete this section if you, the student, filed or will file a 2015 income tax return with the IRS. The best way to verify income is by using the IRS Data Retrieval Tool that is part of the FAFSA on the web. In most cases, no further documentation is needed to verify 2015 IRS income tax return information that was transferred into the student’s FAFSA using the IRS Data Retrieval Tool if that information was not changed.

If you have not already used the tool, go to FAFSA.gov, log in to your FAFSA record, select “Make FAFSA Corrections,” and navigate to the Financial Information section of the form. From there, follow the instructions to determine if you are eligible to use the IRS Data Retrieval Tool to transfer 2015 IRS income tax information into your FAFSA. It takes up to two weeks for IRS income information to be available for the IRS Data Retrieval Tool for electronic IRS tax return filers, and up to eight weeks for paper IRS tax return filers. If you need more information about when, or how to use the IRS Data Retrieval Tool, see your financial aid administrator.

Check the box that applies (Select ONLY one):

The student has used the IRS Data Retrieval Tool in FAFSA on the Web to transfer the student’s (and, if married, the spouse’s) 2015 IRS income information into the FAFSA, either on the initial FAFSA or when making a correction to the FAFSA. Your school will use the IRS information that was transferred in the verification process.

The student has not yet used the IRS Data Retrieval Tool, but will use the tool to transfer the student’s (and, if married, the spouse’s) 2015 IRS income information into the FAFSA once the student has filed the 2015 IRS tax return. See instructions above for information on how to use the IRS Data Retrieval Tool. Your school cannot complete the verification process until your (and, if married, your spouse’s) IRS information has been transferred into your FAFSA.

The student is unable or chooses not to use the IRS Data Retrieval Tool in FAFSA on the Web, and the student will submit to the school a 2015 IRS tax return transcript—not a photocopy of the income tax return. Go to <http://www.irs.gov/Individuals/Get-Transcript> to view and print your 2015 tax transcript immediately or request a copy by mail. Additional options include calling 1-800-908-9946 and requesting the “IRS tax return transcript” and not the “IRS tax account transcript,” or downloading the IRS2GO mobile application (available for Android and iOS/Apple mobile devices). These self service options may take up to 10 business days to arrive at the specified address on file with the IRS. You will need your Social Security Number, date of birth, and the address on file with the IRS (normally this will be the address used when the 2015 IRS tax return was filed). It takes up to two weeks for IRS income information to be available for electronic IRS tax return filers, and up to eight weeks for paper IRS tax return filers. If this option is selected, you MUST select one box below.

Check here if the student’s IRS tax return transcript is attached to this worksheet.

Check here if the student’s IRS tax return transcript will be submitted to the student’s school later. **If you have filed an extension, please read the instructions below.** Verification cannot be completed until the IRS tax return transcript has been submitted to the student’s school.

Check here if an IRS tax extension has been granted for your 2015 taxes, and provide the following documents:

- A copy of the IRS Form 4868, “Application for Automatic Extension of Time to File U.S. Individual Income Tax Return,” that was filed with the IRS for tax year 2015; and
- A copy of IRS Form W-2 for each source of employment income received for tax year 2015 and, if self-employed, a signed statement certifying the amount of the individual’s AGI and the U.S. income tax paid for tax year 2015.

2. TAX RETURN NONFILERS—Complete this section if you, the student, will not file and are not required to file a 2015 income tax return with the IRS. If you made a selection in C1, do not complete this section. Only complete this section if you did not file a tax return.

Check the box that applies (Select ONLY one):

The student (and, if married, the student’s spouse) was not employed and had no income earned from work in 2015.

The student (and/or the student’s spouse if married) was employed in 2015 and has listed below the names of all employers, the amount earned from each employer in 2015, and whether an IRS W-2 form is attached. Attach copies of all 2015 W-2 forms issued to you (and, if married, to your spouse) by employers. List every employer even if the employer did not issue an IRS W-2 form. If more space is needed, attach a separate page with your name and SSN at the top.

Do NOT list any federal benefits such as, Social Security Income, Social Security Disability, Supplemental Nutrition Assistance Program (SNAP), etc. If more space is needed, attach a separate page with your name and Social Security Number at the top.
