1) IPEDS defines a graduate as a "first-time, full-time students enrolling in an undergraduate degree program." Ninety-four percent of Kaplan University graduates are excluded from this conventional definition because they are part-time enrollees or have some prior college experience.

2) Be advised that any military education benefits (Tuition Assistance, GI Bill, or MyCAA) you may be using to fund your education are not calculated on this document. Your military education benefits may cover a portion of or total cost of attendance based upon your individual situation. **Please refer to your award letter for your specific funding information.**
