## Policies

### 1. Books

**All other students:** Books and course materials are included in the price of tuition for all undergraduate courses.

Spouses and dependents of eligible servicemembers who receive a transfer of benefits under the Post-9/11 GI Bill chapter 33 may be entitled to the Yellow Ribbon provision. These reductions may not be used in conjunction with scholarships or other reductions unless otherwise noted.
3. **Tuition Cap:** Enrollees in Tuition Cap programs will pay an additional \$200.00 per-term Administration Fee (which also counts toward the Tuition Cap).  
**Indiana Residents:** Indiana residents are not eligible for Tuition Cap pricing. Enrollees in Tuition Cap programs prior to July 5, 2017, should consult with Financial Aid to determine which pricing model is most advantageous for them.
4. Not all programs are available in all states. Check with an Admissions Advisor.
5. Tuition and fees are subject to change after 30 days' advance notice. See the current University Catalog/Addendum for an explanation of the Refund Policy.

7. Failure to return library materials to Kaplan University or any of its partner libraries will result in a financial obligation to Kaplan University and may result in postponement of registration for a new term or graduation. Instructional materials must be returned unused within 14 days from the date the student notifies the University of cancellation of enrollment. The student will be responsible for payment of any bill received for instructional materials not returned.
8. Students outside the United States or U.S. Territories will be responsible for the cost and the shipment of instructional materials including returns and payment of customs duties or fees.
9. Upon enrollment, students must attest to high school graduation or equivalent. The University may require students to present actual proof of graduation or its equivalent as part of its verification process. ### California Residents

The State of California created the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic losses suffered by students in educational programs who are California residents, or are enrolled in a residency program attending certain schools regulated by the Bureau for Private Postsecondary Education.

You may be eligible for STRF if you are a California resident or are enrolled in a residency program, prepaid tuition, paid STRF assessment, and suffered an economic loss as a result of any of the following:

1. The school closed before the course of instruction was completed.
2. The school's failure to pay refunds or charges on behalf of a student to a third party for license fees or any other purpose, or to provide equipment or materials for which a charge was collected within 180 days before the closure of the school.
3. The school's failure to pay or reimburse loan proceeds under a federally guaranteed student loan program as required by law or to pay or reimburse proceeds received by the school prior to closure in excess of tuition and other costs.

4. There was a material failure to comply with the Act or the Division within 30-days before the school closed or, if the material failure began earlier than 30-days prior to closure, the period determined by the Bureau.
5. An inability after diligent efforts to prosecute, prove, and collect on a judgment against the institution for a violation of the Act.

However, no claim can be paid to any student without a social security number or a taxpayer identification number. You must pay the state-imposed assessment for the Student Tuition Recovery Fund (STRF) if all of the following applies to you:

1. You are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition either by cash, guaranteed student loans, or personal loans, and
2. Your total charges are not paid by any third-party payer such as an employer, government program or other payer unless you have a separate agreement to repay the third party.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment if either of the following applies:

1. You are not a California resident, or are not enrolled in a residency program, or
2. Your total charges are paid by a third party, such as an employer, government program or other payer, and you have no separate agreement to repay the third party.
